- What / Why: Promo VI is an introductory event for parents and students to the Middle School Ministry. The bulk of the event will be on Saturday, August 20, where we will have games, team building activities and other fun things for incoming sixth grade students to build relationships with upper classmen and adult leaders. We will have a meeting for parents and students on Saturday, August 20, where we will be explaining the ins and outs of the Middle School Ministry at CCBC. This will be a lock-in event where students will sleep in the gym and classrooms on campus.
