January 2017

Mission of the Month

IGNITE is Cottonwood Creek's program for caring for our community. In January, Cottonwood Creek would like to IGNITE our people to visit new families in our community.

We will be providing chips and hot sauce to deliver to new families that have moved into the area.

You will be able to minister to them and invite them to be a part of our Cottonwood Creek family. Sometimes it just takes an invitation to make a difference in someone's life.

The bags of chips and salsa will be available on Sunday, January 8, 2017.

Thanks in advance for being "On Mission" in our community"

For more information, please email us at: onmission@cottonwoodcreek.org
