

## WEEK TWO'S MISSION IS TO: **DISCOVER GOD'S LOVE**

### **Parent Briefing:**

In this mission, we will look at several Bible verses about God's love that you and your "agents in training" can investigate. After this in-depth investigation, there are several activities that are suited for your agents. This is a time for you to be intentional in teaching biblical truth in order to strengthen your family and your relationship with the Creator!

### **Mission Objective:**

We encourage you and your family to discover God's love this week through discussion and the assignments. Through this week's mission, we want agents to respond to God's love by loving others. Focus on showing love to all that you encounter this week and see how it changes the way you view your relationships with God and others.

*Below are some guided questions to help further your discussion on God's love, use the investigation materials above to answer.*

See Ps. 136:1 and 100:5, What does steadfast mean and what does it tell us about God's love?

See Matt. 22:36-39, What does this passage say about the way that we should love God? Who else does it say we should love?

Think of a time when someone showed love to you when you really needed it. Who can you show God's love to this week that needs it?

### **Agent Debriefing**

After discovering God's love, we encourage you and your "agents in training" to take a picture of your agents with the assignment you completed. Post the picture using #CreekCIA. This will allow for the agency to evaluate the picture and give your agents a chance to win a special outing. Be looking for your picture to appear on the Agency's screen during Sunday morning service.

**Investigation Materials:**

Psalm 136:1, 1 John 3:1,23, Psalm 100:5, Ephesians 3:16-19, John 3:16, Matthew 22:36-39, Romans 8:39

**Assignments:****Preschool:**

Work with your agent to cut a heart out of construction paper. Have your agent come up with people that they can show love to. Write these names on one side of the heart. On the other side of the heart, draw/write ways that they can show love. Hole punch the top of the heart, tie a string, and hang it from a prominent place in your agent's room or in headquarters. This week, pray for the people on the heart and try to demonstrate love to them in the ways you thought of.

**Elementary:**

Talk with your agents about the importance of demonstrating God's love to others. Have your agent think of someone in their life that may be feeling down or upset about something, or that they have been unkind to in the past. Have your agent pray for them each day of the week. Show God's love for this friend by making them a card, doing a kind act, or providing a need for them. Relate this loving act to Matt. 22:36-39.

**Youth:**

This week, ask your students some tough and common questions about God's love. Search the scriptures to find truth that answers these questions.

Can we be separated from God's love? Is it just limited to those who do right and follow Him?

(look in Romans 8)
