What is involved with the trip?

- Building church for remote Mayan Indian Villages in the mountains of Chihalo in Chiapas, Mexico.
- Learning about the Mayan Culture in Mexico
- Grow in relationships with other men from Cottonwood Creek while experiencing missions first hand
- Sharing the love of Jesus in local orphanage and villages in Chiapas

Why Mexico Ministries?

- Mexico Ministries is committed to providing enduring places of worship throughout the country, especially for those in need who without our help would have no place to worship. It is one of our great joys to see these buildings filled to capacity with believers who are eager to gather together to worship God. Some of the churches have been large churches in large cities, but the great majority have been small churches in rural or mountain villages, often where the congregation had nothing more than a tree to gather under or a cardboard shack.
- Since Mexico Ministries was founded in 1978 by Larry Myers, God has used them to establish several medical clinics, build hundreds of church buildings, and train pastors for thousands of believers.

Transformation

- If you are contemplating going to Chiapas, let us encourage you that a trip like this is transformational on many levels; from your personal walk with the Lord to experiencing life in a new beautiful place outside of the norm. We have designed this trip to be shorter, less expensive and geared especially for you as a man. Sign up today!
