

## THE MISSION OF THE MONTH IS VEGA ELEMENTARY.

Cottonwood Creek is investing in VEGA and it is our desire to surround the students, teachers, and administration throughout the 2018-19 school year. It's as EASY as 1-2-3 to support and volunteer!

### 1. BE A REACH MENTOR

The REACH program is designed to foster a basic sense of self-esteem, self-confidence and a motivation to learn and improve personal and social skills that will reinforce the importance of an education. Reaching one child at a time is the primary goal of the program. For more information on becoming a REACH Volunteer at Vega Elementary, click here:  
<https://www.mckinneyisd.net/partners-in-education/reach/>

### 2. ADOPT-A-CLASSROOM

Our desire is to serve and support every Classroom/Teacher at Vega. How? By building a relationship with them. We provide each classroom with an empty crate and ask teachers for a "Wish List" during the school year. Volunteers fill the crate with the items on the "Wish List" and begin building a relationship with the teacher and students through the crate. Easy, fun and creative way to support and serve Vega. Check out a crate at the Mission Wall TODAY!!

### 3. SERVE THROUGHOUT THE YEAR

Serve at different events such as field days, teacher appreciation breakfasts or by supporting a family with Angel Tree Gifts. Simply click the following link: <https://cottonwood.tpsdb.com/OnlineReg/3058> or text VEGA to 77978 and register to receive updates and more information about opportunities to serve.

## FWTS Follow-Up

Seeing God continue to work

We have been able to continue to make connections as we follow up from Fun with the Son! The school supplies that were left over from the event were distributed to different elementary schools around the area, CityChurch and Salvation Army. We were also able to have a "mini FWTS" at Millennium Apartments in McKinney.

Some of the people that came for supplies have since prayed to receive Christ and have joined us at worship at Cottonwood!! Continue to pray for these connections to be made and for people to be open to hearing the Gospel. Let's continue to be a church that reaches out to our community to help meet both the spiritual and the physical need!
