

N E X T

Our story begins over a century ago, when a small band of believers from McKinney caught a vision and formed Mount Olive Baptist Church. Since those humble beginnings, we've been through a few name changes, have had a couple of moves and reached countless lives, all thanks to blessings from the Lord. Growth has been a common theme across the history of what is now Cottonwood Creek Church. God has faithfully used and grown our people over the last 135 years to reach the next person through the door. While we celebrate how God has used us in the past, let's look to the future and see what He could do NEXT.

We see an urgent need to expand our reach even further to meet the needs of the NEXT people through our doors. This sense of urgency has led us to develop the NEXT campaign. NEXT will allow us to build a chapel that will expand our facility closer to the highway, making us more visible to the thousands of people who travel down Highway 121 daily. NEXT will help us reach young couples looking to enter a fully committed marriage before the Lord in a holy place. NEXT allows us to minister to grieving families as they say goodbye to a loved one and celebrate the life that was dedicated to the Lord. NEXT gives Cottonwood Creek Church an additional setting for smaller worship services, free of the distractions that we are currently facing with our busy Atrium. I invite you to join a new level of involvement during this NEXT season for our church. Fully engage with us, beyond attendance and serving.

Regardless of where each of us currently is on the engagement spectrum, we all have a NEXT level. Because Collin County is expected to continue with unprecedented economic and population growth over the next decade, we are sovereignly positioned in the heart of Collin County to have an enormous, eternal impact for the Kingdom of God! To fulfill this vision and realize these opportunities, Cottonwood Creek Church must get ready. I'm inviting you to do more than spectate and commentate during this crucial time; I'm inviting you to participate. Be fully vested in what's NEXT. Help us reach the NEXT young couple, the NEXT grieving family, the NEXT person to walk through our doors to worship.

Together, Cottonwood Creek will reach those that will come NEXT.
